

Keep your access control business protected!

As an specialized SMARTAIR™ Genesis installer you can now add an extra level of security to all your issued credentials

ASSA ABLOY

Your business. Your control.

Because you care about your business, SMARTair™ now helps you protect it.

SMARTair™ Genesis has developed new way to your access control business with a locksmith's code that identifies your customer and ensures they come back.

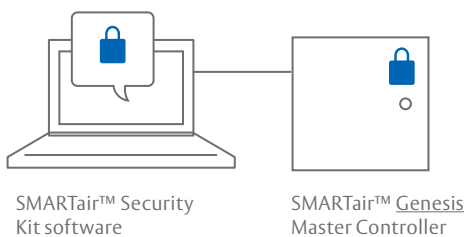

Exclusively for specialised partners, the SMARTair™ Genesis "Security Kit" includes the software that will

allow you to program all issued credentials with your locksmith's code.

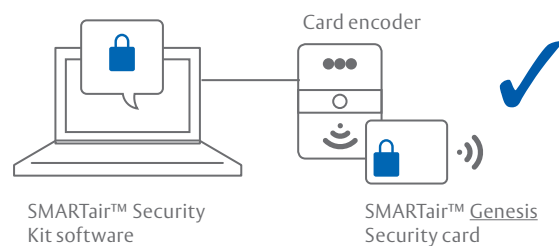

You can now ensure you are the solely authorised supplier of new credentials for all your SMARTair™ Genesis installations.

How it works.

- 1** Add your locksmith's code to the SMARTair™ Genesis Master Controllers

- 2** Generate a new SMARTair™ Genesis Security card - protected with your locksmith's code

ASSA ABLOY is the global leader in door opening solutions, dedicated to satisfying end-user needs for security, safety and convenience
